

REMARKS

Claims 2-16, 19 and 20 have been allowed.

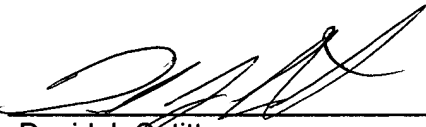

Applicants respectfully request the Examiner amend claim 2, as illustrated above, to correct an antecedent basis error. Applicants assert that the requested amendments embody the correction of formal matters and do not change the scope of the claims. This Amendment was not presented earlier because the error was only recently discovered.

If there are any formal matters remaining after this response, the Examiner is requested to telephone the undersigned to attend to these matters.

Respectfully submitted,

STAAS & HALSEY LLP
